THE LETTER

[Subject of this letter.]

Dear [Recipient first name],

[Open with the reason for the letter. Warm, social, confident — the voice of a friend who hosts properly. Short sentences. Nothing fake-posh.]

[Paragraph two — the offer, confirmation, or detail of the booking. Lead with what the reader needs.]

[Paragraph three — the next step. Tell them what happens next, and when.]

Warmly,

[Your name]
